

# Merry Christmas

[illegible]

Christmas is about family and God.

That is a Christmas tree. People put gifts under there for family.

These are gifts. They have stuff for people.

These are Christmas lights and they go on trees and houses.

These are candy canes. They are Christmas food

Gingerbread men and houses are  
Christmas food, too.

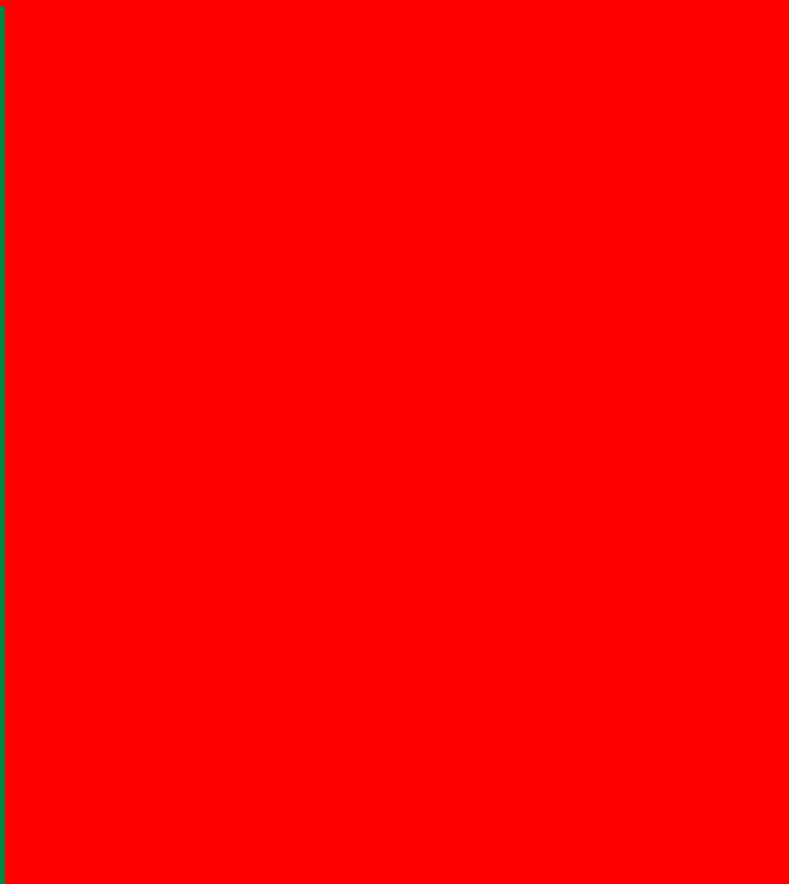

Reindeer are Santa's Drivers.

Red and green are Christmas colors.

Snow is white and cold and it is edible.

Elf on the Shelf moves and watches you.
